Q.39 Now let me read you some statements about the candidates for Congress.

[606 Cases]

(SPLIT A) (DEM POSITIVE) NAMED CONGRESSIONAL DEMOCRAT, the Democrat, is running for Congress because core tenets of our democracy are under threat. He/she is running to strengthen institutions of our democracy, like checks and balances and the independence of our judiciary system and law enforcement agencies like the FBI. LAST NAME DEMOCRAT has signed the democracyFIRST Promise to uphold democracy that promises protects the right to vote for eligible citizens and ensures every legal vote is counted, stop misinformation, denounce political violence, and accept the election results.

[606 Cases]

(SPLIT B) (DEM CONTRAST) NAMED CONGRESSIONAL DEMOCRAT, the Democrat, is running for Congress because core tenets of our democracy are under threat. He/she has signed the democracyFIRST Promise to uphold democracy that promises protects the right to vote for eligible citizens and ensures every legal vote is counted, stop misinformation, denounce political violence, and accept the election results. But NAMED CONGRESSIONAL REPUBLICAN refuses to sign the democracyFIRST Promise. He (IN PA, CA, AZ) voted to overturn the election results / (IN WI) supported efforts to overturn the election results and has already said he won't certify the 2024 election results unless Trump is declared the winner.

(REP) NAMED CONGRESSIONAL REPUBLICAN, the Republican, is running for Congress because we need to restore election integrity to our election system. He has worked to bring election irregularities to light, including fraud in our voting systems and counting processes, ensure illegal immigrants don't illegally vote in our elections, and fought to require everyone who votes to show ID to ensure they are allowed to legally cast a ballot. In Congress, LAST NAME CONGRESSIONAL REPUBLICAN will work to pass a nationwide voter ID law, require paper ballots in all elections to show a paper trail, and strengthen election integrity and transparency.
